Jr League *Magnetic* Baseball

A new exciting, popular priced version of our electric baseball designed specifically for the "Little League" age group.

Because it is non-electric it can be played anywhere.

- True-to-life game situations and action are all spelled out on the playing field... each play is determined by where the magnetic ball stops.
- Remote pitching and batting plus the unique "put-out" device lets youngsters test and improve their skills in this action game.
- Beautiful full color picture of the game on the box cover turns the package into a "silent salesman"... this combined with its low price makes it a year-round natural for self-service merchandising.
