EXCITING NEW ACCESSORIES FOR YOUR ELECTRIC FOOTBALL® GAME

Electronic Scoreboard

The Electronic Scoreboard, newest accessory to Electric Football®, emulates the NFL® in stadium experience. It provides all of the excitement, accuracy and details seen in larger stadiums across the country. Before the game, Wayne Messmer, voice of Chicago sports, sings the National Anthem while the American Flag waves on the screen and the sound of a crowd going wild is heard in the background. As the game begins, the automatic count down clock starts to tick off seconds. Then, by pressing a button, the scoreboard automatically shows points scored along with all of the realistic football action. You'll see the kicked ball go through the goal posts and the official putting up his hands to indicate, "The Kick Is Good" . . . keeps track of the quarters, downs, gives the two minute warning and can be stopped for time outs. Fits into the stadium accessory or can be used with any Electric Football® game. Adds new enjoyment to your game. Requires 4 AA Batteries (not included)

Monday Night Football™ Electric Football® Lighted Stadium

- Play "night games" in a LIGHTED stadium!
- Easy to assemble, no tools needed!
- Comes apart for easy storage
- Realistic crowd markings
- Includes working scoreboard
- Requires 8 AA batteries (not included)
