Volume 2**

**A Historical Preservation Project
of
The National ELECTRIC FOOTBALL Game Museum**

The Northern Michigan Electric Football League (NMEFL) was a solitaire league owned and operated by Commissioner Brian Wittkop.

Originally founded in 1984 and known as the Monroe County EFL it was changed to the Northern Michigan EFL in 2004.

Brian Wittkop was a long-time member of the Electric Football Community who sadly passed away in December of 2019 at the age of 61.

He lived in Monroe, Michigan, where he worked with his father at Monroe Glass Company as a glazier until 2005 when he then moved to Rapid City, Michigan. Brian was a DJ for 20 years. He loved Northern Michigan, music, University of Michigan football and especially spending time with his family.

Brian was a member of the Miniature Football Coaches Association (MFCA) and a regular contributor to the chatboards -the Miggle Toys Electric Football Forum and the MFCA Forum - offering very insightful information to playing the game and posting photos and regular updates to his collections and solitaire league play. he was known by his very familiar handle of "wolverine".

Brian regularly participated in the Solitaire Coaches Points Challenge (SCPC) competition for solitaire coaches and won the first ever SCBCS Unlimited Division Championship.

This document - presented in 2 volumes - is an effort to preserve the legacy of Brian Wittkop and the information found on his website nmevl.webs.com
