PORTABLE GAMES

Power Pro Electric Football Game 8500

You're the player, coach, and team owner. You make the call in this portable, battery-operated, hands-on game of strategy and skill that you can take and play anywhere. Comes with two three-dimensional unpainted teams that you can paint to resemble your favorite teams. Everything needed to play the game is included. Perfect for playing at home, on the road, or at your tailgate. Requires six AA batteries, not included. Game Size: 22.5" x 13.2" x 1.5"

Power Pro Speedway Electric Racing Game 8502

All the action of an auto racing track as well as competitive fun and the excitement that you want in auto racing. Five lanes are carefully calibrated so that each car travels the same distance regardless of its lane. Comes with dice to determine which car and which lane you will be racing in. You can adjust the car's performance to try to win the race. A sixth car included to add to the selection. Requires six AA batteries, not included.

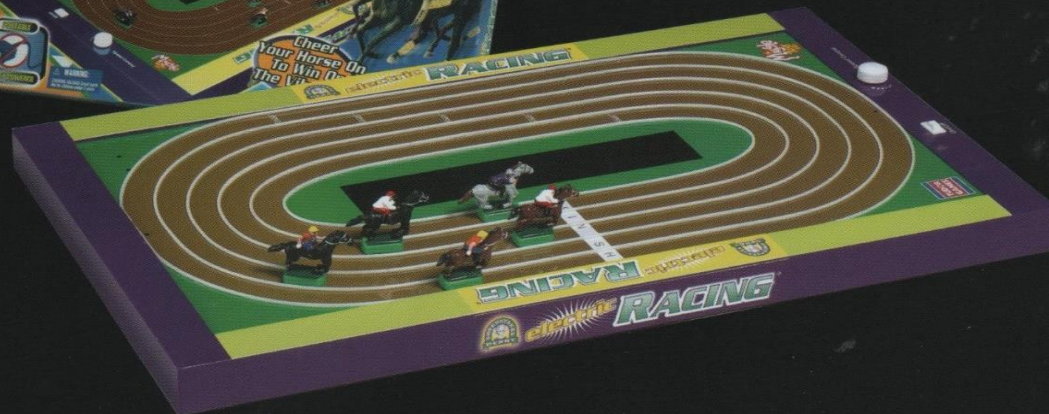

Game Size: 22.5" x 13.2" x 1.5"

Power Pro Sweepstakes Derby Racing Game 8503

Sweepstakes Derby brings this popular sport to you with all the fun and excitement of being at a real track. The race track has five lanes, each carefully calibrated to ensure that every horse runs the exact same distance to the finish line. Every race can have different results with the six horses, six jockeys, six bases that the horses run on, and all are interchangeable. All elements of this game change with a roll of the dice and add thrills from race to race. Requires six AA batteries, not included.

Game Size: 22.5" x 13.2" x 1.5"

SOCCER

International Electric Soccer Challenge Game 6079

Finally, a soccer game with realistic action and motions! Set up plays and kick for goals. The goalie can defend the goal as players move the ball along. Sculpted players are hand painted in their team colors. Soccer is "world football," and this game has all the thrills and excitement to make it fun and realistic.

Product Size: 34.7" x 18.6" x 1.8"
