

HISTORY OF THE

The original Music City EFL was created in 1999 by Chris LeMay after attending his first Miggle Electric Football Convention in Philadelphia of that same year.

It never really took off until much later (over 20 years) through the efforts of Brian Fox and AK Fox. At its peak there were 10 members.

The beginning of this league can be traced back to the spring of 1999 when Chris LeMay and Brian Fox first met in Columbia, TN for some scrimmage and discussions of how o get the league organized and going.

Over several more years and meetings in Middle Tennessee and southern Kentucky. the league grew to 4 members and reorganized as the Blue Graas EFL . The 4 members of the Blue Grass EFL.

Again, there was never really any real organization with meetings mostly just consisting of scrimmages and rules discussions and experimentation. .

“As the years progressed, I continued to go to the Miggle National Conventions and Tournaments , several regional tournaments, such as the Capital City Clash and Bama Blast, participate in regional and national leagues - the National High Voltage League, the Dixie League, and the Oxford EFL.

I also continued to collect vintage games, teams and figures, paint and sell teams and figures and play solitaire electric football. I also developed “The Kicking Game” Kick Placement Cards.

When the Miniature Football Coaches Association (MFCA) was formed, I again got more involved with the game and hobby on a national level, serving on the MFCA’s Board of Directors and as Charmain of the Board for a short time.

With the help of another solitaire coach, Derrick Gross, we started a competition for solitaire coaches, The Solitaire Coaches Points Challenge (SCPC), served as its commissioner for 5 years and wrote and edited “Solitaire Illustrated” and “Solitaire Gameday” the Official Online Magazines of Solitaire Electric Football.

When I retired in 2019, I created and founded “The National ELECTRIC FOOTBALL Game Museum”.

But, even with all this going on I never gave up on the Music City EFL.”

- Chris LeMay

The Music City EFL finally began to take shape in 2019 and 2020, when league co-founders Brian Fox and AK Fox got together and formally organized the league and started to recruit coaches. It was largely due to the creation of the Facebook group page.

January 2, 2019.

Brian Fox created the group Music City EFL.

Every league needs a “cool” logo. Here are some logo images created for the league.

Inaugural Season

2020

***Kickoff Gameday
February 29, 2020***

January 26, 2020

Music City EFL will have its first gameday Feb. 29th from 10-5.

Details:

Each coach will play 3 games against non-divisional opponents.

Coaches will be paired at random, and boards will be assigned at random as well.

Each half will be 40 minutes with 1 one-minute timeout per half.

Stick passing or a passing QB can be used at anytime although sticks used will be provided by the league and be at actual scale.

We will have a commissioner and a league rep from both north and south. These positions are TBD.

Brian Fox

Music City Spring Season 2020. We are planning a 10 games season with a Bowl playoff series at the end. At this point, the plan is to Kickoff 2/29/20 in Nashville. Our goal is to host a Tournament style game day and play at least 4 games, possibly squeeze in a 5th game. We'd like everyone who is playing to meet in Nashville for this first gameday so we can match up coaches who travel with the Nashville area coaches and eliminate a bunch of travel. If we have enough coaches playing from the north, we will have a game day in the north and south in March for coaches to play the teams in their area. April we will have the third and final gameday, which will be the rivalry weekend when coaches in their area will play a coach a second time from there area and make up games if you missed your area gameday. May will wrap up the season in Nashville with a Bowl Championship weekend, based on your record you will play a minimum of three games and finish in a bowl game. Based on the number coaches playing will determine the number of bowl games that will be played to end your season.

The league will then Host a weekend Tournament in Nashville on behalf of the Electric Football Game Museum "The Music City Smash". We have not determined the date for this national tournament.

Another board going out for AK Fox. Different and fun project. Had a good time doing the artwork on this one. Even if I do hate the Yankees.

Music City EFL Kickoff Feb. 29

Two of the inaugural season gameboards. 2' x 4' playing fields were chosen as the "Official" game board size for the league. Most of the game boards used were custom built and provided by AK Fox. Coaches could also bring their own game boards if desired.

Custom game boards have been being made for several years now and 2' x 4' playing surfaces have become the most popular size. These game boards are very easily made using 1 x 4 wood frame construction and 24 ga. sheet metal with vinyl adhesive field covers.

8/31/2020

A little shakeup in Music City over the weekend as the Jaguars took the number 1 spot in the standings by going 2-0. The Yanks also got 2 wins their defense did not allow any points in two games and the Saints finally got a win. The Color Rush Titans were tough as always and MTSU is finally getting its offense on track.

Updated standings.

Competing in a league is a good training ground for competing at the next level such as a regional tournament.

THE TOC (Tournament of Champions) is a series of Regional Tournaments that takes place throughout the year in various locations throughout the country. The two closest in proximity to Nashville is the Bull City Brawl and the River City Blast.

Members of the Music City EFL have long been participants in these competitions.

On November 7, 2020, AK fox and Chris LeMay traveled to Raleigh - Durham, NC to participate in the Bull City Brawl.

Eddie C. Cousin Seahawks

There are too many scenarios to list because head-to-head match up will probably be the deciding factor.

11/17/2020

The last weekend of football in MCEFL will be interesting. If the **Titans (Vince Stone)** wins their two remaining games against the Cornhuskers and Saints, they will be champs.

If the **Steelers (Scrap Jones)** wins their remaining game against the Cornhuskers and Titans lose one game, they will be champs.

If the **Cornhuskers (Phillip Anthony Ryan)** wins their two remaining games against the Titans and Steelers they will be champs.

Everyone else is jockeying for tournament seatings.

11/18/2020

This Saturday will be the final weekend of the MCEFL. A clear league champ will not be determined until after the games on Saturday. The **Saints Brian Fox** will be bringing their A game and will be trying to upset the **Titans Vince Stone** hope for the league championship. Although the Saints have not had their best year, they are still a 1-point Vegas favorite because of their experience and the big game experience from the past.

The **Steelers Scrap Jones vs. the Cornhuskers Phillip Anthony Ryan** will also be one of the biggest games of the year. Rankings for the college league just came out and the Cornhuskers are 4th in the nation but the Steelers have some metal on the shelf that proves they are a champion and tested team. Vegas has the Steelers by 1. The **Seahawks Eddie C. Cousin and the Yanks** are a pickem. Both teams laid some big eggs going down the stretch and are playing for pride and tournament seating.

Stay tuned for the final verdict. Hopefully, it will not be too brutal.

I want to send out a very special Birthday greeting to Mr. K P Bubba Pyle. Two months ago, Mr. Pyle made me a new locker room custom carrying case for my South Carolina Gamecocks. When I asked him how much did I owe him he just told me don't worry about it. Now I know how much time and effort it takes in this hobby not to mention materials and cost to create a quality product. I would put the custom case he did for me up against any cases that are being made in the hobby. So, after consulting with the King of Ultimate Wisdom, Scrap Jones himself, I found out that Bubba has a new team that he will be introducing to the Electric Football world in the future. So, to keep him from dressing like Tom Landry on the sidelines, I have had him a custom team jersey made just for him. Electric Football World and Steelers Nation get ready :
BUBBAFRESH and THE Bumble Bee hit squad is coming to a city near you !!!
Happy Birthday Bubba !!!

Who will be the inaugural champion of MUSIC CITY EFL COLLEGE LEAGUE!

8/29/2021

The MCEFL has had its inaugural season for both college and pro leagues. This has been in the works for a few years and with a core groups of folks working behind the scenes to make it finally happen. Every coach is equal. Not one person can say they dominate the league. It's a hard-fought contest every game with half or more games the first two seasons decided in overtime. The average point spread for games are 3-5 points.

With that said the true part of the league that should be observed and modeled is the true friendship and caring we have for one another.

Thanks fellows for another great season. See you in October!

Music City EFL would like to congratulate Fast **Eddie Cousins**. Fast Eddie is the 2022 Season Champion of the College League. Eddie and the USC Trojans held off the Columbia Lions 2-point attempt to win the game 14-13 and also held off TSU Tigers in 4 overtime's and won 24-21. USC finished 5-0.

The question is "can Fast Eddie be the first coach to win both the season and the league tournament" a feat that has yet to be done. It's always an honor to get together with our Music City crew. **Brian Watson Phillip Anthony Ryan Marcelius Pitts Vinnys Decals**

October 26, 2022

With great sadness we at **Music City EFL** share the passing and obituary of one of our brothers **Brian Fox**. Brian was a founder of the newly formed league and has been a major contributor to our league. Please, if you have a moment, think of Brian and his family during this time of sadness and sorrow.

Brian Keith Fox, age 57, passed away Tuesday October 25, 2022, at his residence in Bowling Green, Kentucky.

The Elmhurst, IL native was the son of the late Bobby Gene Fox and Barbara Jean Devine Fox who survives. He was preceded in death by his wife Angie Fox and his sister Bobbie Fox.

In addition to his mother, Brian is survived by his children, Adam Johnson, Cody Fox (Hope), Tyler Boehringer, Reagan Fox and Abbygil Fox and one grandchild, Grayson Fox.

Visitation will be Friday October 28, 2022, from 9:00 AM – 1:00 PM with the Funeral Service at 1:00 PM at the J. C. Kirby & Son Lovers Lane Chapel.

Preached Word of God - Pastor Henry D.C. Watson

It has been a couple of years now, since the Music City EFL has been active. And that is largely due to the deaths of original co-founder Brian Fox and coach Brian Watson.

Another contributing factor is the aging of founder Chris LeMay and co-founder AK Fox. We are both 69 years old now and have undergone several medical issuers in the past few years that have hindered our participation and ability to lead the league as it should be done.

That and the fact the AK is planning on retiring from his work career in mental health at the end of this year, (December 31, 2026, and is planning on selling the MCEFL Clubhouse (his home in Madison, TN).

I would like to continue the league and am currently making plans to move the league's base of operations to Spring Hill, TN, home of the National ELECTRIC FOOTBALL Game Museum.

My plans at this time, are to use the league as a developmental league and make a greater effort at recruiting a new and younger generation of coaches to carry on the legacy of the league.

I would like to thank the other coaches who have been a very integral part in making this league the success that it did become for without them this history could not have been told.
